Dear Mlle. Ceytère:

Thank you very much for your lovely letter of October 11th and enclosed photo. My studies will not permit me at this time to answer all my well wishers at great lengths. Also, I'm sorry I do not have an extra photo on hand at present.

However, the kind thoughts expressed by you and many others during this period will always be remembered.

Sincerely yours,

/mcs

Dear Sir,

I wish for you to find in these few lines all my sympathy toward you - I totally disapprove of racism, for, before God, are we not all favored?

It was ~~was~~ painful for me to read in the press the different articles about you. As for me, I adore the black race and want you to find in these few lines the spiritual comfort which you need.

note / Would you permit me to correspond with you; I hold you in esteem in my heart.

note

Enclosed is my photo, hoping to
receive yours in exchange.

With all my sympathy
